

## PTCNET SURVEY RESULTS - 2019

<b>Topic:</b> Science Standards in IB Schools	<b>Date conducted:</b> 12-13-2019
<b>Number of responses:</b> 39	<b>Submitted by:</b> Peter Burnside

### Notes from Peter:

- About 1/2 are using NGSS (Next Generation Science Standards)
- About 1/3 do not use external standards or draw from a variety of sources
- Side note - if you are looking into NGSS, we found this document, [Connecting the IB to NGSS](#) to be a good starting point.

## Which External Science Standards, if any, do you use in the PYP or MYP?

Options: PYP, MYP, DP, Participants could choose multiple answers.

MYP- 19

DP- 32

PYP- 24
